

Women's Restoration is established by the vision and mercy of God. We believe the Bible is the true inspired word of God and is complete and accurate, and therefore is the foundational basis for all teaching of the ministry.

It is essential for women trapped with chemical addiction to receive Biblical instruction to become new creatures with Christ Jesus through the power of the Holy Spirit.

Our mission is to help women who have no place to turn but want to be free from their addictions. We want to give them an opportunity to learn how to live a productive and drug-free life.

~ Program Overview ~

Phase 1: **Induction/Orientation** – She begins developing her relationship with the Lord, learning Biblical principles to live by as well as building/maintaining healthy relationships.

Phase 2: **Regeneration** – In this phase she acknowledges choices made in her addiction.

Phase 3: **Inner Healing** – Learning that forgiveness is the key to spiritual maturity. Here she faces her past and allows the Lord to heal her pain. She also learns to forgive the wrongs done to her.

Phase 4: **Discipleship** – Turning the focus from her addiction to who she now is in Christ. She learns to use the tools taught through the program and the truth God has spoken to her, therefore instructing her to apply that truth to her newly changed life.

It's time for Women's Restoration's 8th Annual Golf Tournament! That's right, time to dust off those drivers for a wonderful cause. This year's event will be on Monday, March 30th, 2026. Thanks to our faithful supporters, last year was such a success! We are very excited about hosting our eighth annual tournament and look forward to a time of fun and fellowship that will provide WR funds to continue building!

We are in need of corporate and hole sponsorships. We will need the help of local businesses and the community as a whole. Anything you can do to help us make this tournament a success will be greatly appreciated. For more information, please contact Loretta at (985) 209-9513 or Albert at (985) 991-5190.
